FAQ

How far in advance should I book?

We suggest that you book 90 days in advance for multi-day events, 60 days in advance for full-day and evening events in the auditorium and 30 days in advance for events in the classroom.

What are the A/V capabilities?

Stream your presentation, host a web conference and play music or video from your device while you are connected to the MATTER system. If you book the large auditorium, you can either sync all three screens to one computer or connect up to three devices to the system.

How can my guests connect to MATTER WiFi?

Easily! Our guest network is MATTER-Guest and does not require a password.

Is theMART accessible by public transportation?

Yes, theMART is directly serviced by both Brown and Purple lines of the "L" trains, and a short distance from lines that service O'Hare and Midway airports. Also in walking distance are the Ogilvie and Union Transportation Stations and many CTA bus stops.

How do I get to MATTER from inside theMART?

Take the central elevators to the 12th floor. MATTER is located directly outside the elevators. A MATTER employee will be happy to greet you when you arrive and help you and your guests find the correct space.

Is parking available?

MATTER validates parking for the lot located at 210 N. Wells Street at the rate of \$14.00 for 12 hours. In addition, there are two Mart-specific lots which MATTER can validate for a small group of people: Mart Parc Wells and Mart Parc Orleans. Metered parking is also available along Kinzie Street. Please be advised that parking in either of theMART's access drives will result in your vehicle being towed or ticketed.
